Invitation To Make An Impact

Everybody Wins DC is excited to offer the opportunity for all our sponsors to participate in an exclusive volunteer service event.

On March 2nd, EWDC invites our event sponsors to join us for a service event celebrating Read Across America Day. As we gather at the Planet Word Museum, volunteers will get a hands-on connection to our program work by preparing hundreds of diverse books for delivery to our students. Together, we will help children build personal libraries filled with engaging and representative stories that will inspire their futures.

Above all this is an opportunity to make a difference in your community alongside your fellow sponsors. Stay tuned for more details!
