

Read to Dream...

**EVERYBODY WINS DC
2024 | PLANET WORD MUSEUM**

On May 2, 2024, EWDC hosted our annual Read to Dream event at Planet Word Museum. This special evening celebrated all that is magical about EWDC - our students, our programs, and our supporters. The 300 guests heard from amazing EWDC students and special honorees, enjoyed wonderful food and drink, and participated in an exciting live auction.

All Read to Dream proceeds will keep programs like Power Readers, StoryTime, and The Book Project free for families and school partners. This means we can help more children build the literacy and social-emotional skills needed to succeed.
